Abstract

Thanks God and peace be upon Mohammed Ibn Abed Allah and all his followers. After that. This research is titled "The Versions of Al-Waleed Ibn Muslimin the Five Books Investigative study". Firstly, I started speaking about Al-Waleed Ibn Muslim and his life to introduce his character and his educational degree. I also write about mixture of night and darkness briefly as he's known of this characteristics. I write about his versions with "AL-Bukhari and Muslim" and Abu Dawood, An-Nisai' and At-Tirmithi. His versions in these five books reach (213), and all these versions are all of Mohammed "peace be upon him" and his followers. And these versions are in details (30) versions as AL-Bukhari had them, and are about (42) as "Muslim" had. "10" of these are repeated and done by AL-Bukhari. Undoubtly, both Muslim and Bukhari were very careful in doing this kind of AL-Hadeeth on their own well-known style and method. These scientists of weakness. Their method was having the version together and it's clear in Muslim's versions. While AL-Bukhari has chosen AL-Waleed's versions as in Ibn Hajar in "Hadi AL-Sari" and we explain that in the end of the research.

Abu-Dawood's versions are about (68) ones –(12) versions are repeated with AL-Bukhari and Muslim. AL-Bukhari has (5) versions and Muslim has (7). The number of weak versions with Abu-Dawood which
