Abstract

The boredom of Saheeh Muslim's Ahadeeth

Faisal Mfadi Al-Kasasbeh

Mu'tah University,2011

This study contained an introduction, three chapters, a conclusion and indexes.

The introduction discussed the importance of the study, its aims and questions.

The first chapter identified Al-Emam Muslim, his name, his dynasty, his birth and death.

The second chapter discussed the legal rules of the boredom. The third chapter was about the boredoms in Saheeh Muslim according to Al-Eman Book .

This study has the following objectives:

First, protecting the prophetic tradition (Assonah) and identifying the appropriate rules dealing with boredoms of saheeh Muslim's Ahadeeth in Al-Eman book.

Second, the matter of boredoms among Al-Ahadeeth differs from a man to another.

Third, the importance of boredom of Al-Hadeeth and how to concern in it.
